Major Activities Affecting Case Closing:

SEE ALSO Baade, Frank 21-10331

4/22/21-Email to Jenn at Adelsperger's office, need list of accounts receivable reflected in Schedule B with value of \$387,841. Letter to Farmers State Bank requesting closure of any accounts owned by the debtor and turnover check for balances. 5/6/21-Section 341 meeting (telephonic): Creditor Atty Dunlop for Central Penn. Frank Baade as president of company. 2019 and 2018 returns for company: 2019 grossed 3.6 million although net was negative income of \$13,000; Any efforts to try and sell and going concern? No, lost half of its business in 2020, was doing very well before that. Debt to Fifth Third Bank, didn't have any opportunity to repay it so chose to file bkcy, not given any choice; Fifth Third had a line of credit product, device didn't work, deposits got lost, got into problem because people who provided 5/3 with device were not local. Relied on 5/3 to provide funding for materials and subcontractors, also First Federal Bank. 5/3 listed as a bad debt and was collecting. First Federal attached lien to his house. Schedules - equipment, just one truck listed; subcontractors were doing work for him, had 56 contractors working for him throughout Midwest, did a lot of port of entry work for Dept of Interior, CSX Railroad. 2019 tax return shows 6 vehicles; one remained in petition; other five were taken by subcontractors for money they were owed, that was late 2020 and into spring of 2021; Trustee asked for documentation on the sales of the vehicles. Two trucks were basically stolen by contractors, hijacked the trucks; he never signed off on the titles; no theft report ever filed. 2019 tax return: Dec 2019 depreciation schedules shows 2004 F350, 2016 Chevy 1500 LST, 2000 Chevy 200, 2016 Chevy Tahoe, F250. Accounts receivable/WIP: invoice tracker report shows \$387,000 - he has separate files on the accounts: RC Ford from Oct 2016: \$400, not worth pursuing, just repair job. April 2017, Parent Petroleum in Roselle, IL \$58,635: he will look into, doesn't think still owed offhand, if paid Trustee needs documentation. April 2017, Ultimate in Chicago, BP, \$35,825: still owe that, they have no money. He says also in IL, \$42,937 in Glen, IL: Petroleum Mgmt Team, he has a lien against that one. CIMA Parent Warren \$725: they decided not to pay, he produced signs for their stations, handicapped parking, etc., he doesn't have the machine, sold it about four years ago, but still uses it, sold to Tri-Mark Contractors in Coldwater, MI. Oct 2017: Teak Con, Mobil in Libertyville, IL \$12,000 - he still owes that and won't pay. Crystal Food in Merrillville \$9685, still owed, on gas station, nothing to do with foods. Trustee asks for all of the job files and provide to Atty Adelsperger, complete files for each of them, and if any of these have been paid, provide info on why still on the invoice tracker list, Trustee asks for this information in 10 days. More recent jobs in March of 2021: he has not filed liens on any jobs in the 90 day lien period, he will provide documentation on Harper. They charged \$350 per lien; they would send out the demand and then he would decide to file a lien or not. February invoice/Oscar Larson - assuming beyond lien rights on that one. Trustee asks him to check on the 2021 work jobs and decide what is within lien rights, do that first; then pull files for all the open unpaid invoices. Was work in progress unbilled? He will check, but thinks no. Adelsperger: he is currently in process of moving to LaGrange, he will pick up files and take to Trustee's office. Dunlop: Still in business? Debtor says no. He has applied for a new business, is 75 years old. Has not taken any contracts under a new business name: new business names applied for: Lake James Canopies and Trust Frame Canopies. Central Penn Capital Mgmt has purchased Fifth Third obligations, so they have revolving loan and overdraft liability, that is what the judgment is entered for; those obligations secured by security agreement on all assets, filed a proof of claim with UCC filing and security agreement, they claim an interest in accounts receivable and any other business assets. Dunlop asks that if a new business is established. Atty Adelsperger asserts that there is no continuation, Mr. Baade will maximize the estate assets and Central Penn would have no right to know what work Mr. Baade intends to do in the future. Trustee emphasizes that Mr. Baade needs to provide documentation on the liens for recent work to protect lien rights. No more questions by Dunlop. 5/14/21-Follow-up letter to Farmers State Bank re: closing corporate account and sending balance, or providing explanation re: any extenuating circumstances. 6/22/21-Motion for turnover of corporate tax returns for 2020 and bonding machine; notices mailed, objections due July 13. 6/22/21-Order approving Trustee's Rule 2004 exam. 7/23/21-Received wire transfer from Bird, Scheske law firm trust account for Farmers State Bank. 10/27/21-Demand letters sent to all vendors who have not responded or who were not sent initial demand letter by Phil Smith in June, requested response within 30 days. 3/10/22-Application to employ Zulager CPA; she will file extension for 2021 tax returns. 10/10/22-Letter from Atty Adelsperger enclosing federal refund check for \$184.15 (for 2019 taxes plus \$8.19 interest). 11/11/22-Letter from Attorney Michael Tinaglia for Petroleum Mgmt: will pay \$10,000 for release of mechanic lien and contract claims; Trustee's letter accepting offer subject to approval by bankruptcy court. 11/16/22-Motion to approve compromise with Petroleum Mgmt Team for \$10,000; notices mailed, objections due Dec 7. 12/12/22-Order approving settlement with Petroleum Management Team, emailed copy to Attorney Tinaglia with signed W-9 for bankruptcy estate.
